CCAL will make the prospectus available in March of 2023. Please note the THEME and title is “Celebrating Color”. Colorful pieces are encouraged but no work will be turned away due to its color or lack thereof.

We will need volunteers on hand for Receiving and Installation from 9am to 3pm on April 3rd, help with the reception on the 6th, and with Removal on May 1st. Please contact Donna Esher with your offer to help. Remember, we have a participation requirement to enter exhibits!

This is a collaborative exhibit, but CCAL has two galleries and has determined each guild/league will show in their own separate gallery. This gives us autonomy for installation.

Entrance fee is \$25 for TWO pieces. CCAL will prepare all the labels, flyers, and exhibit booklet. CCAL is waiving their customary rental fee for outside groups.

Awards for our group will be for 1st, 2nd, 3rd place plus two Merit Awards.

ALL SALES GO THROUGH THEIR GIFT SHOP which takes 30% commission plus a 3% credit card fee. Please price your work accordingly.
